

RESEARCH POLICY

Research Policy of AJKCAS provides a broad framework of guidelines to undertake scholarly research with the following ideas:

- To create and encourage a culture of research among the teachers, research scholars and students.
- To recognize research areas and outline research topics of academic, practical and societal relevance.
- To organise seminars, conferences and workshops on research topics and training programmes in research pedagogy.
- To encourage, guide and support the teachers, research scholars and students to publish research articles in journals of repute, listed in UGC CARE, Scopus, SCI, Web of Science, Thomson Reuters and Elsevier etc. with high impact factor.
- To encourage the teachers, research scholars and students to post their research profile in Google Scholar, VIDWAN etc.
- To motive the teachers, research scholars and students to participate in research related seminars, conference and workshops.
